Meet Susanna Dent from Towson Maryland of www.sweethomebuyers.com who is a full-time real estate investor who has a passion for rock climbing in the mountains of Spain and Cuba with her daughter. Susanna recently joined our local Real Estate Investor Wholesale training and coaching program not to long ago and has had tremendous success in a very short time. She recently got me excited about rock climbing so don't be surprised if you see me with my Flip Camera in a mountain somewhere soon. I just added something new to my bucket list! Check out the video and pictures below:
