Hey folks I wish all of you a Happy New Year and much more Success in 2011! This is our year Flop 2 Flip Nation let's turn this so called Recession Upside Down wholesaling one house at a time. I wanted to share with you the first Flop 2 Flip tip of the week of 2011 "How to use Bandit Signs to generate more leads". A couple of days ago I was out in the trenches with one of my top coaching clients Floyd Garner putting up Bandit signs at one of his latest deals.

This strategy alone can help you pull in buyers and sellers into your business. As a real estate investor the name of the game is generating traffic and then converting the leads you get from your traffic into dollars. Check out the Video below:
